

My little Angel  
(C.ASSAD/N. MAJOR)

Published by Virtual Artists Collective Publishing/ASCAP

My little angel  
You are so special you see  
I am by your side  
The one who won't ever leave

I will always love you  
Wipe your tears and look at me

My little angel  
I'm here to lead you home  
Hold on to my hand  
And let me take you away

Your pain won't last forever  
You'll find yourself again

So take my heart with you  
Take my heart with you  
When you need love that is true  
Take my heart with you  
Take my heart with you  
Whenever you are feeling blue

My little angel  
I know that you are sad  
It's not forever  
Your sorrow will not last

I will always love you  
That you should never forget

My little angel,  
I'm here to lead you home  
Hold on to my hand  
And let me take you away

Your pain won't last forever

You'll find yourself again

So take my heart with you  
Take my heart with you  
When you need love that is true  
Take my heart with you  
Take my heart with you  
Whenever you are feeling blue

My little angel  
Leave all your cares behind  
Open the window, unlock the doors and see  
The world is waiting  
For you to take the lead  
So take that first step  
Only then will you be free

I will always love you  
And that you must believe...

So take my heart with you  
Take my heart with you  
When you need love that is true  
Take my heart with you  
Take my heart with you  
Whenever you are feeling blue
